AUDIO GUIDES

An audio version of our current Live Guide can now be loaned out on request.

It comes over 2 CDs and can be posted out and returned to us for free under Royal Mail's Articles for the Blind Scheme.

THE GOAL

A range of accessible opportunities will be available to help everyone celebrate The Courtyard's upcoming production of The Goal.

Touch tours, accessible performances and football themed dementia friendly training and workshops are just some of the activities that are on offer in the lead up to and during the production run.

For more information about our The Goal accessibility programme contact Box Office on 01432 340555.

RNC PARTNERSHIP

We are delighted to announce a brand new partnership with the Royal National College for the Blind.

Students from the college will be helping us to identify areas in which we can improve the experience of people with visual impairments when visiting The Courtyard.

This is a great opportunity for us to get some feedback on what we already have in place as well as suggestions for improvements.
