

ATTENDING A CLASS OR WORKSHOP AT THE COURTYARD SOCIAL STORY

I'm going to a class or workshop
at The Courtyard.

This story will help me understand
what to expect when I get there.

I'm going to The Courtyard to attend a class or workshop.

The Courtyard is a big building with lots of glass that has a theatre, cinema, Café and restaurant inside.

This is what it looks like from outside.

If I arrive by car, bus or bike then I go to the car park and see the building from behind which looks like this.

When I get inside, I can go straight to the room if I know where it is.

If I don't know where I'm supposed to go I can ask at the Box Office.

If there is a queue at the Box Office I will have to wait my turn to ask.

When I get to the room I will meet the person leading the session.

They will tell me what is going on throughout the class or workshop.

There is a lot happening at The Courtyard and there might be a lot of people.

Not everyone will be there for the same reason as me.

Sometimes it can get a bit noisy at The Courtyard.

I can borrow noise cancelling headphones from the Box Office if I want to.

I can go to the toilet whenever I need to.

There are toilets on the ground floor and on the first floor.

The accessible toilets are quieter and I can dry my hands with paper instead of an air dryer in there.

I can get some food or a drink in the Café or restaurant.

There is a shop with things to look at or buy.

There is an art gallery on the top floor.

I can look at the artwork if I would like to.

When I am ready I will go home.
